

University of Birmingham moving up in World Ranking

The 2009 Times Higher Education – QS World University Ranking placed the University of Birmingham in the 66th position in the world, up from 75th in 2008. In UK, the university is 10th.

Vice-Chancellor, Professor David Eastwood, commented: ‘This result demonstrates Birmingham’s growing status as a globally outstanding University. We are determined to invest in areas of research excellence, improve campus facilities, and enhance our growing international presence.’
