The GCE ‘O’ Level Programme

The **Singapore-Cambridge** GCE ‘O’ level programme leads to examinations which are jointly conducted by the Singapore Examinations & Assessment Board and the University of Cambridge Local Examinations Syndicate. The ‘O’ Level certificate is an internationally-recognised qualification which is widely used to apply for further studies in Commonwealth countries and the USA.

The ‘O’ level examinations is a pre-requisite for admission into any one of Singapore’s five Polytechnics namely Singapore Polytechnic, Ngee Ann Polytechnic, Republic Polytechnic, Temasek Polytechnic and Nanyang Polytechnic.

AEC College is an established name in the ‘O’ Level education and one of its centers is at JBM (JBM is the acronym of AEC’s new campus at Jalan Bukit Merah).

Benefits for students with the ‘O’ Level certificate:

- * Admission to a Junior College (2-yrs ‘A’ level programme) or any one of the five local polytechnics (3 year diploma programme) under the Joint Admission Exercise (JAE)
- * Equal opportunity for polytechnic admission (in line with Singaporean students admission)
- * Eligible for part-time work while studying with a polytechnic
- * Eligible to apply for full-time jobs or Permanent Residence (PR) status in Singapore upon graduation from the polytechnic
- * Eligibility to pursue a Bachelor degree upon graduation from the polytechnic

Who Should Study the GCE 'O' Level Programme?

Students from any country who have attained the minimum age of 15 years, and who intend to gain admission into local (Singapore) Polytechnics or foreign institutions of higher learning.

Course Delivery

Conducted by full-time, approved teachers, students will benefit from the up-to-date textbooks and learning materials based on a well-crafted curriculum that is defined by the syllabus issued by the Singapore Examinations and Assessment Board.
